

United Benefit Advisors

An Alliance of the Nation's Premier Independent Benefit Advisory Firms

fact sheet...

Who we are . . .

United Benefit Advisors (UBA) is one of the nation's largest privately held employee benefits advisory organizations, with multiple offices located throughout the U.S. and Canada. UBA members provide benefits consulting and brokerage services and best-in-class products to nearly 23,000 private corporations and public employers.

UBA's independence on both the corporate and member levels sets it apart from publicly traded national competitors. Members are totally committed to serving clients with none of the inherent concessions from the demands of Wall Street.

What we do . . .

By combining diverse talents, seasoned experience, innovative technologies, and strategic partnerships, **UBA members offer employers exceptional employee benefits advisory services unmatched in the industry.** As trusted advisors, members help their clients manage over \$4 billion annually in employee benefit expenditures on behalf of 1 million + employees and their families.

Membership Benefits Employers, Enhances Clients' Services

Selectpath is proud to be a United Benefit Advisors (UBA) member. Our membership provides us access to the shared knowledge of the nation's premier independent benefits firms, including best practices, industry trends, research data, regulatory guidance, and customized technology designed specifically to support HR and benefits managers.

We are committed to . . .

- Provide real solutions to your employee benefits needs
- Effectively manage your benefits costs
- Free your staff to focus on strategic goals

Why employers choose UBA member firms . . .

- UBA member firms are successful independent business owners who share and understand your business challenges as well as your employee benefits needs
- UBA member firms are geographically located to provide local market expertise and hands-on service for employers with multiple locations nationwide
- Through UBA's combined strength and national presence, employers benefit from enhanced services from insurance carriers and benefits providers
- UBA members provide access to best-in-class web-based enrollment systems, labor law advisory services, online HR resources and compliance training, HIPAA Privacy solutions, and a variety of other HR and employee benefit-related services
- Technology tools, such as HR*insider*SM and the Employee Benefit Center (EBC), streamline benefits communications, lower benefits' administration costs, and increase return on investment
- Working with a UBA member firm frees both financial and human resource professionals to address strategic business objectives and employee needs
